

NIBE Expert News Special Edition

Paul Smith, Managing Director

2024 was a landmark year for NIBE and the UK heat pump market. Now we're well and truly into 2025, we're excited to announce our latest product innovations, update you on the expansion of our distribution network, and celebrate our latest industry accolades.

In this special edition, we are delighted to introduce a new range of heat pumps, including the highly anticipated NIBE S735C Exhaust Air Heat Pump with active cooling, extensions to the F2050 Air Source Heat Pump and other exciting new additions.

Beyond product innovation, we're strengthening our partnerships with national and independent merchants, making NIBE solutions more accessible to installers across the UK.

To top it off, we're celebrating multiple award wins that recognise our commitment to excellence and innovation in the industry. We also have a new face representing NIBE who shares our values and will help raise awareness of the benefits of heat pumps.

Read on for all the details.

Introducing Our Latest Heat Pump Innovations

Now Available: F2050-12 & F2050-16 Air Source Heat Pumps

- A more compact single-fan design, 290mm shorter than the F2040-16
- Low-noise operation (as low as 57 dB(A))
- Uses eco-friendly R32 refrigerant with 76% lower CO2 equivalent than its predecessor
- Heating, cooling, hot water, and ventilation in one unit
- New active cooling capability (up to 8kW) for summer comfort & Part O compliance
- Future-proof R290 natural refrigerant

Coming Soon: AquaThermal Hot Water Heat Pump

- Super quiet operation – quieter than a household fridge!

Expanded Partnerships for Easier Access to NIBE Products

We're making it easier for installers to access NIBE heat pumps and accessories! We now work with leading national and independent merchants, including City Plumbing Supplies, UK Plumbing Supplies (with brands such as Graham the Plumbers Merchant & Plumbbase) and Wolseley. This expansion ensures that our installers have greater convenience and support when choosing NIBE products.

Freddie Ljungberg Joins NIBE as Brand Ambassador

We're thrilled to welcome former Arsenal and Sweden football star Freddie Ljungberg as our new UK brand ambassador! With Swedish roots and shared values, Freddie is helping us champion the transition to energy-efficient heating in UK homes.
